

Corporate Overview

Corporate Overview

- **Mission**
 - Hidalgo Sales Consulting helps companies access global markets and overcome globalization problems in the software, telecom and high-tech industries
 - Focused on sales consulting services
 - Broad international experience and customer network in the software, telecom and industrial markets
- **Customers in several countries**
 - Helped customers from several countries expand international sales, penetrate key accounts, build result-oriented sales channels, improve sales processes, revamp sales strategies, enhance sales win rates, find investors, and sign OEM agreements
 - Clients include software companies, leading wireless and network equipment suppliers, monitoring & test instrumentation manufacturers, and industrial services providers
 - Head Office in Escaldes, Andorra

About Us

- Hidalgo Sales Consulting was founded in 2007 by Juan-Felipe González, a seasoned sales executive
 - Juan Felipe was Senior Vice-President of Global Sales for iBwave from 2012 to 2016. He was responsible for the creation, development, and execution of sales strategies worldwide. Under his stewardship, the company consistently grew revenue in excess of 30% per annum by winning major international telecom operators as customers and further penetrating existing domestic and international accounts.
 - Prior to joining iBwave, Juan Felipe was Executive Vice President of Sales at IRphotonics (acquired by Thorlabs) and Vice-President of Sales at Avera Technologies. Previously, he was Vice-President, Global Telecom Sales for EXFO (Nasdaq: EXFO). Juan Felipe spent 15 years at EXFO.
 - Born and raised in Spain, Juan Felipe holds a B.Sc., honors in chemistry, from Complutense University, Madrid, Spain, and an MBA from the School of Industrial Organization, Madrid, Spain.
